

#### 05.11 Music & Audiovisual

### MIRA

This new festival will be showcasing the best of fusion between cutting edge electronic music and visual entertainment. Its performances are presented by artists who come from both an electronic and audiovisual background, and who will be introducing their latest artistic proposals and techniques. The venue itself is sure to influence the atmosphere of this exciting event, as it takes place in the old Fabra i Coats factory, which casts the shadow of its industrial past on its new incarnation as a cultural space. An extensive cartel of 20 local and national artists, musicians and DJs look set to make this an unforgettable night of contemporary magic.

**Venue:** Fabra y Coats Factory, Sant Andreu **Price:** 18€ **Web:** [www.mirabcn.cat](http://www.mirabcn.cat)

#### 15-18.11 • Audiovisual

### BARCELONA INTERNATIONAL AUDIOVISUAL FESTIVAL

This was previously known as the International Festival of Television, and was established in 1997 to address the many issues surrounding television for children. The festival provides a platform for proposals that safeguard ethical conduct in the audiovisual entertainment consumed by children. Its potential for a child's education and development also explored, through a series of presentations and round table discussions that will be taking place during these days, bringing together both professionals and the public.

**Venue:** Caixa Forum, Av. Francesc Ferrer i Guardia, 6-8 **Web:** [www.oeti.org](http://www.oeti.org)
